Paid External Activity Authorization

Application Form - Form 2: Tutor opinion

Student **PhD cycle**

Proposed activity period

Host organization and activity

As the student's PhD tutor, I have reviewed the proposed paid external activity and provide the following opinion:

Relevance to the educational and research scope of the PhD

Compatibility with the student's research plan and doctoral commitments

Expected impact, if any, on milestones, training, teaching and research activities

Any conditions or observations relevant to the Teaching Board's assessment

☐ Favourable opinion ☐ Unfavourable opinion

I confirm that this opinion is based on the activity and conditions described in the student's request. The Teaching Board retains responsibility for the authorization decision.

Tutor's name and role

Place and date **Signature**

Signatures may be handwritten on the printed form or applied as a digital signature to the completed PDF.
